

You can make noticeable improvement in 30 days if you practice **every day with structure**.

The goal should be:

- Speak more confidently
- Understand spoken English better
- Build daily vocabulary
- Write clearly
- Think in English instead of translating

30-Day English Improvement Plan

You only need **60–90 minutes daily**.

Week 1 (Days 1–7): Build the Foundation

Focus

- Basic grammar
- Pronunciation
- Daily speaking habit
- Simple vocabulary

Daily Routine

1. Listening (15 min)

Watch easy English content.

Recommended:

- [BBC Learning English](#)
- [VOA Learning English](#)

What to do:

- Listen carefully
 - Repeat sentences aloud
 - Copy pronunciation
-

2. Speaking (15 min)

Speak alone in English.

Topics:

- Introduce yourself
- Your daily routine
- Your city
- Your work/studies
- Your hobbies

Rule:

Do not worry about mistakes.

3. Vocabulary (15 min)

Learn **10 words daily**.

Use:

- [Cambridge Dictionary](#)

Write:

- Meaning
- One sentence
- Synonym

Example:

- “Improve” → I want to improve my English.
-

4. Grammar (15 min)

Focus on:

- Present tense
- Past tense
- Future tense
- Articles
- Prepositions

Use:

- [Perfect English Grammar](#)
-

5. Writing (10 min)

Write a short paragraph daily.

Examples:

- “How was my day?”
 - “My favorite movie”
 - “My goals”
-

Week 2 (Days 8–14): Start Thinking in English

Focus

- Sentence formation
- Better listening
- Speaking confidence

Add These Habits

Shadowing Technique (20 min)

Listen to native speakers and copy exactly.

Good YouTube channels:

- [Speak English With Mr. Duncan](#)
 - [English with Lucy](#)
-

Learn Common Phrases

Instead of single words, learn expressions:

Examples:

- “How’s it going?”
- “I’m looking forward to it.”
- “That makes sense.”

Learn 5 phrases daily.

Reading Practice (15 min)

Read easy English articles.

Use:

- [News in Levels](#)

Read aloud.

Week 3 (Days 15–21): Real Communication

Focus

- Fluency
- Conversation
- Faster understanding

Daily Tasks

Speak with Real People (20 min)

Use:

- [HelloTalk](#)
- [Tandem](#)

Practice:

- Small talk
 - Asking questions
 - Sharing opinions
-

Watch English Without Subtitles (20 min)

Start with:

- Sitcom clips
- Interviews
- Short videos

If difficult:

1. Watch with subtitles
 2. Watch again without subtitles
-

Learn Connectors

Use words like:

- however
- therefore
- although
- meanwhile

They make your English sound more natural.

Week 4 (Days 22–30): Fluency & Confidence

Focus

- Speaking naturally
- Advanced vocabulary
- Confidence

Daily Challenges

1-Minute Speaking Challenge

Pick a random topic and speak for 1 minute without stopping.

Examples:

- Technology
- Cricket
- Travel
- Food
- Social media

Record yourself.

Daily Conversation Practice

Try to think and speak in English during:

- Shopping
 - Messaging
 - Notes
 - Internal thoughts
-

Learn Advanced Expressions

Examples:

- “I totally agree.”
 - “From my perspective...”
 - “It depends on the situation.”
-

Daily Schedule Example (90 Minutes)

Activity	Time
Listening	15 min
Speaking	15 min
Vocabulary	15 min
Grammar	15 min
Reading	15 min
Writing	15 min

Important Rules

1. Speak Every Day

Even 10 minutes daily is powerful.

2. Stop Translating

Try to think directly in English.

3. Repeat More

English improves through repetition, not only study.

4. Record Yourself

You will notice mistakes and improvement.

5. Use English in Real Life

Change:

- Phone language
- YouTube language
- Social media language

to English.

What You Can Expect in 30 Days

If you follow consistently:

- ✓ Better speaking confidence
- ✓ Larger vocabulary
- ✓ Faster understanding
- ✓ Improved pronunciation
- ✓ Better sentence formation

You will not become “perfect” in 30 days, but you can become **noticeably more fluent and confident**.

If you want, I can also create:

- a **daily timetable for all 30 days**
- a **30-day speaking challenge**
- a **beginner/intermediate/advanced version**
- or a **plan specially for interviews, IELTS, business English, or speaking fluently**.
