

English Learning Roadmap — Beginner, Intermediate & Advanced

This roadmap helps you choose the right level and follow a structured path.

1. Beginner Level

Who Is This For?

You are a beginner if:

- you understand only basic English,
 - you hesitate while speaking,
 - you translate from Hindi/Marathi/etc.,
 - you cannot make long sentences confidently.
-

Beginner Goals (30–60 Days)

You should learn to:

- ✓ Introduce yourself
 - ✓ Speak basic daily English
 - ✓ Use simple grammar
 - ✓ Understand slow English
 - ✓ Build confidence
-

Beginner Daily Routine (60 min)

Activity	Time
Vocabulary	10 min
Grammar	15 min
Listening	10 min
Speaking	15 min
Writing	10 min

Beginner Focus Topics

Grammar

- Present tense
- Past tense
- Future tense
- Articles
- Prepositions

Vocabulary

Learn:

- daily-use words,
- verbs,
- emotions,

- greetings.

Speaking Topics

- Myself
- Family
- Hobbies
- Routine
- Food
- City

Beginner Speaking Style

Use Simple Sentences

✗ “According to my perspective...”

✓ “I think...”

2. Intermediate Level

Who Is This For?

You are intermediate if:

- you can speak basic English,
- but you pause too much,
- grammar mistakes happen often,
- you struggle in longer conversations.

Intermediate Goals (60–90 Days)

You should learn to:

- ✓ Speak fluently in conversations
- ✓ Improve pronunciation
- ✓ Use natural expressions
- ✓ Speak confidently in interviews
- ✓ Understand movies/videos better

Intermediate Daily Routine (75–90 min)

Activity	Time
Listening	20 min
Speaking	20 min

Activity	Time
Vocabulary/Phrases	15 min
Grammar	15 min
Reading/Writing	15 min

Intermediate Focus Topics

Grammar

- Conditionals
- Present perfect
- Passive voice
- Reported speech
- Modal verbs

Speaking Topics

- Technology
 - Career
 - Education
 - Social media
 - Travel
 - Motivation
-

Intermediate Fluency Habits

Shadowing

Repeat native speakers exactly.

Think in English

Describe your day mentally in English.

Record Yourself

Listen for:

- pauses,
 - pronunciation,
 - grammar errors.
-

3. Advanced Level

Who Is This For?

You are advanced if:

- you can communicate comfortably,

- but want professional or near-native fluency,
- want better vocabulary and confidence,
- want polished speaking.

Advanced Goals (90+ Days)

You should learn to:

- ✓ Speak naturally and professionally
- ✓ Handle debates/discussions
- ✓ Improve accent clarity
- ✓ Use advanced vocabulary naturally
- ✓ Speak confidently in meetings/interviews

Advanced Daily Routine (90–120 min)

Activity	Time
Advanced listening	25 min
Speaking/debate	25 min
Vocabulary/collocations	20 min
Writing	20 min
Pronunciation polishing	15 min

Advanced Focus Topics

Grammar

- Advanced conditionals
- Complex sentence structures
- Nuanced formal English
- Idiomatic usage

Speaking Topics

- Politics
- AI & technology
- Economy
- Leadership
- Psychology
- Business communication

Advanced Habits

Debate Practice

Defend opinions clearly.

Storytelling

Speak naturally without memorizing.

Accent & Intonation

Focus on:

- rhythm,
 - stress,
 - natural flow.
-

 - [The Economist](#)
 - [BBC Podcasts](#)
-

How to Identify Your Level

Beginner

- Frequent pauses
- Very short sentences
- Translation habit

Intermediate

- Can communicate but not smoothly
- Limited vocabulary
- Grammar confusion during speaking

Advanced

- Comfortable communication
 - Wants polish, fluency, and professionalism
-

Recommended Path

If You Are Beginner

Focus on:

1. confidence,
 2. daily speaking,
 3. basic grammar,
 4. listening.
-

If You Are Intermediate

Focus on:

1. fluency,
 2. pronunciation,
 3. natural speaking,
 4. vocabulary.
-

If You Are Advanced

Focus on:

1. professional speaking,
 2. advanced vocabulary,
 3. debate/discussion,
 4. polished communication.
-

Most Important Rule for All Levels

Speak Every Day

Even:

- 10 minutes daily,
 - consistently,
is better than:
 - 3 hours once a week.
-

Suggested Daily English Environment

Change these to English:

- Phone language
- YouTube recommendations
- Notes
- Google searches
- Social media content

This speeds up learning naturally.

Final Advice

English improves through:

- repetition,
- listening,
- speaking,
- mistakes,
- consistency.

Do not wait to become “perfect” before speaking.
